

# Lead Free Brass Angle Valve (AV-LF)

## Features

- Heavy duty brass construction
- Standard one piece rising swivel with cross or wheel handle
- Efficiently regulates water flow
- Removable internal assembly for convenient service & cleaning

## Specifications

- Maximum water working pressure: 150 PSI
- Optimal flow: 0 - 190 GPM

## Models

- AV 3/4" - 2" angle valve less union

**AV-LF**
